3. Planning:

- 3PL/2016/1363/F: Old Methodist Chapel, Norwich Road - Change of use of land from agricultural to residential and creation of new parking spaces. There was lengthy discussion and the meeting was opened for the public to contribute. The following response was agreed:
'Scoulton Parish Council have no objection to a garden and off road parking in principle. There is disagreement as some Councillors feel parking on the eastern side of the land as applied for would be better and others feel that this would cause a detrimental impact on the visual amenity for the village. These Councillors felt that cars would be better parked on the western side of the property. The Parish Council are aware that there is an existing overgrown gateway to the west outside the application area which may give alternate access to the B1108.' Proposed: RP, seconded: AS
